Hey Catalina Ambassadors,

It is time to apply your drawing skills and share your views of our community. We have given you a window, you create the view! Do you see a house, a golf cart, tree or bird. Draw what you see, or some other place on the island. Remember details create the story.

Draw what you see through an arched window, like the windows at the Catalina Island Country Club.

When you are finished, take a picture and have an adult post it on Instagram. Be sure to tag the museum (@catalinamuseum) and use the hashtag: #catalinadraws

The Catalina Island Museum will feature your work on its website and Instagram.
